Contact Person: Nicole Acquisti, acquistin@ci.pacifica.ca.us 650-738-7376

Program focus: The City of Pacifica Parks, Beaches and Recreation Department offers internships for students in the recreation major. There is no specific list of duties for the internship. During the internship we try to expose the student to several different parks and recreation related components offered in the various divisions of the department. Opportunities include youth and teen programming, after school enrichment programs, homework centers, Special Events, aquatic programming, facility management, as well as exposure in budget and marketing. Students will have an opportunity to work on projects in several of these areas. Internships are catered towards the students' area of interest.

Semester: Fall or Spring

Rate of Pay: Internships are normally 40 hours a week. The City of Pacifica PB&R department will pay for 20 hours while the remaining 20 will be on a volunteer basis. Pay scale will be based on individual qualification but in the range of \$9-\$14 per hour.
